Subject: ILWU-PMA Welfare Plan – Weekly Indemnity Benefit Modification

On March 31, 2009, you were notified of changes to the Weekly Indemnity benefit program to stabilize the Plan. After further review of Plan experience, it is necessary to make the following changes to the Plan:

- Effective June 1, 2009, the employee contribution to the ILWU-PMA Welfare Plan will increase from 1.08% of earnings to 1.53% of earnings. For California employees, 1.1% of earnings up to \$90,669 is required to be paid to the California State Disability Insurance (CSDI) program. Employee contributions in excess of the CSDI required contribution will be directed to the Welfare Plan.
- For Weekly Indemnity claims incurred on or after June 1, 2009, the maximum Weekly Indemnity benefit will be reduced from \$959.00 to \$565.00. Weekly Indemnity benefits are based on your earnings in the highest quarter of your Base Period. A chart showing benefit levels and a description of the Base Period is printed on the back of this sheet.
- Effective July 1, 2009, the Non-Industrial Disability Supplement Benefit of \$125.00 per week will be reinstated.

You will be notified by the Benefit Plans office of any further changes to the benefit program. If you have any questions about your benefits, please contact the Benefit Plans office at (415) 673-8500.
