Re: Non-Industrial Disability Supplement and CSDI Supplementation Benefits – Direct Deposit

Beginning today, you may elect to have your Non-Industrial Disability Supplement and CSDI Supplementation benefit payments electronically deposited to your bank account. Once set up, payments will be deposited to your bank account each time you submit a new claim form or a subsequent CSDI proof of payment. Direct Deposit ensures that your benefit payment will be available to you, plus there is no chance of your check becoming lost in the mail. Enclosed is further documentation and a sample Electronic Payment Authorization Form.

If you have any questions, please call the Coastwise Claims Office at 800-955-7376.

Dear Plan Participant:

As an alternative to mailing your Non-Industrial Disability Supplement and CSDI Supplementation benefits payments via check, you now have the <u>option</u> of having this payment electronically deposited to your bank account. Electronic Fund Transfer (EFT) is limited by law to those financial institutions which are banks, savings and loans, and credit unions. This is an optional program.

WHAT IS EFT?

With EFT, your Non-Industrial Disability Supplement and CSDI Supplementation benefit payments are sent electronically to your financial institution and credited directly to your account. There is no check printed or sent through the mail.

WHAT ARE THE ADVANTAGES OF EFT?

- Immediate and uninterrupted deposits during periods of absence from residence.
- Your Non-Industrial Supplement and CSDI Supplementation benefit payments are credited within days of processing your claim.
- Reduced risk of loss, theft, or forgery of supplementation payments.

In order to participate in EFT, complete Part A of the California State Disability Supplement Electronic Payment Authorization Form. Have your bank complete Part B and send the completed form to the CCO.

INFORMATION AND INSTRUCTIONS PLEASE READ CAREFULLY

WHEN TO USE THE ELECTRONIC PAYMENT AUTHORIZATION FORM

The authorization form should be filled out in full and signed by both you and an authorized official of your financial institution in the following instances:

- 1) To sign up as a new enrollee.
- 2) To change Electronic Fund Transfer from checking to savings and vice versa.
- 3) To change Electronic Fund Transfer from one financial institution to another.
- 4) To change depositor account numbers within a financial institution.

WHEN WILL MY FIRST ELECTRONIC FUND TRANSFER TRANSACTION BE CREDITED TO MY ACCOUNT?

Your first transaction will be direct deposited within a week after your Electronic Payment Authorization Form and Supplemental CSDI Disability Claim Form is received and processed by the CCO.

CANCELLATION

The agreement represented by this authorization remains in effect until cancelled by the payee by written notice to the CCO, by the death or legal incapacity of the payee, or by the Plan upon loss of eligibility for Welfare Plan benefits in accordance with Plan provisions.

The agreement represented by this authorization may be cancelled by the financial institution by providing written notice 30-days in advance of the cancellation date. You must immediately advise the CCO if the authorization is cancelled by the financial institution. The financial institution cannot cancel the agreement by directly contacting the CCO.

CHANGING RECEIVING FINANCIAL INSTITUTIONS

Your benefit payments will continue to be sent via EFT to your selected financial institution until you notify the CCO that you wish to change the financial institution. To effect this change, you must complete a new Electronic Payment Authorization Form. It is recommended that you maintain accounts at both financial institutions until the process is complete and until the new financial institution has received your first EFT.
