**Subject: ANNUAL HEALTH PLAN CHOICE**

The annual health plan choice period for eligible active and retired longshoremen will take place in May and early June for plan changes effective July 1, 2026.

Note: In addition to the May health plan choice period, eligible active and retired longshoremen may change their medical and/or dental plans once at any time during the Plan Year.

The enclosed medical plan comparison brochure for your area has been prepared to help members choose a medical plan. Additional copies will be furnished upon request.

Choice Forms for medical and/or dental plan choice, with the applicable enrollment application, must be completed by the Member and submitted to the Benefit Plans Office no later than June 19, 2026, to ensure timely notification to the medical plans before the July 1 effective date. Choice Forms, enrollment applications, and supplemental summary plan descriptions will be furnished upon request. There is no action required if you do not wish to change plans.

The July 1, 2008 Memorandum of Understanding between the ILWU and PMA provides that new registrants in the ports where members have a choice of medical plans shall be assigned the Kaiser HMO Plan for the first 24 months of registration. After 24 months, those registrants who have qualified for continued eligibility under the Mid-Year/Annual Review hours requirement will have a choice of medical plans. New registrants in all ports located in California, Oregon, and Washington will have a choice of dental plans on the first of the month following registration and may change dental plans during the May choice period and one additional time during the Plan Year.

**ILWU-PMA Coastwise Indemnity Plan**

The ILWU-PMA Coastwise Indemnity Plan is a self-funded indemnity plan, which allows you to obtain services from any licensed doctor or hospital. Benefits are paid according to a Schedule of Allowances under Basic Benefits and under Major Medical. By selecting a doctor, hospital or other provider that is a participant in the Preferred Provider Organization (PPO) you are guaranteed the maximum benefit, generally 100% of the PPO charge, for covered services.

If you are a Medicare eligible member, you shall in no way be disadvantaged due to enrollment in Medicare. The Plan pays supplemental benefits to your Medicare coverage.

**Kaiser Plan**

The Kaiser Plan is a group practice plan which provides all services at its own facilities or Kaiser-designated facilities (except for out-of-area emergency care provided by non-Kaiser facilities and authorized referrals).

If you are a Medicare eligible member, you shall in no way be disadvantaged due to enrollment in Medicare. You must assign your Medicare coverage to Kaiser by enrolling in the Senior Advantage Program.
